## TAMBEAU DEFEATS RICKEY.

HOLLAR'S COLT RUNS AN IMPRESSIVE RACE AT CITY PARK.

Starter Dwyer at the Barrier—Spirited Racing at the Old Track—Lady Ethel Rewards Her Backers.

New Orleans, La., March 23.—Starter Richard Dwyer, who arrived from Los Angeles last night, took Mars Cassidy's place at City Park this afternoon and acquitted himself creditably. Mr. Dwyer adopted the walk-up system and obtained good starts. Large fields went to the post in two of the races, but in the others they were not so cumbersome. In the feature race, a seven furlong handicap for three-year-olds, Rickey, the odds-on favorite, was beaten by Tambeau. The latter was making his first appearance since his start in the Derby and found a track more to his liking. He was reserved in the early running, but moved up with a rush on the far turn and drew away without much effort when in the homestretch. The stable of W. Hollar furnished two of the winners and both were ridden by jockey Oregon.

Horses of indifferent class put up some very spirited racing at the old track today, the finishes being all closely contested. The best race was the fourth, in which Enverite was a decided favorite. He led to the last strides where Louise Macfarlan nipped him out, though it was a desperately tight fit. Quite a coup was made on Lady Ethel's victory in the fifth race. She was backed from 6 to 1 to 4 to 1 and won easily by two lengths from Abjure. Pride of Woodstock won his third straight race for W. B. Freeman in the second event, beating Come on Sam a head in a drive.

Dr. Street, a well-known Kansas City veterinarian, is here buying up horses for the Kansas City Hunt Club. He will ship two carloads.

The stables of H. C. Riddle and J. W. Forman will be shipped to Churchill Downs tomorrow. Bonnie Sue and Usury will go with the lot.

W. B. Freeman has adopted a Toronto boy named Truman and will try to make a jockey out of him. He has let the boy gallop horses and found enough promise in him to lead him to the legal adoption. An apprentice license was applied for today.

Jockey Robbins will leave Saturday for Benning, where he will ride for Tom Mannix.

Jockey L. Smith's contract with W. H. Snyder & Co., which was only for the New Orleans meeting, expires Saturday and the boy will leave for Benning, where he will ride as a free lance beginning Monday.

## LURETTA WINS THE FEATURE AT OAKLAWN.

Equals the Track Record for One Mile, beating King Ellsworth in 1:40.

Hot Springs, Ark., March 23.—Summerlike weather and a good card brought out a big crowd to Oaklawn this afternoon. The victory of four favorites and two second choices sent the talent home in a jovial mood. The sport was keen throughout, starter Snyder contributing greatly by good send-offs in five of the races. Speculation was also brisk, the mile race, having for starters, Luretta, King Ellsworth, Pontotoc and Cutter, commanding the greatest attention from investors. Luretta, after waiting behind Pontotoc's fast pace for the first three quarters, set sail and overhauling the Keene candidate in the last furlong won, going away in the fast time of 1:40. This equals the track record here. Pontotoc tired badly in the final strides and King Ellsworth, coming with a rush, secured second place by a small margin. There was some doubt as to whether Pontotoc would go a mile successfully and many books took liberties with him. Pontotoc has been thoroughly schooled in jumping, and it is the intention of his owner to enter him extensively in eastern cross-country events this summer. An offer, said to be in the neighborhood of \$7,000, has been refused for the horse by his present owner.

W. J. Harding (John Bright) was among today's arrivals from Memphis. He came over from the Rock city to witness the running of Kundry, which raced in his colors, but failed to finish in the money. He says that Klingsor is going along encouragingly in his training and will be a starter in the Tennessee Derby.

After the victory of Massive, in the first race, he was bid up from \$300 to \$700, at which figure T. H. Stewart secured him.

John Condon and Charles Miers returned today from Chicago.

Secretary Harvey Woodruff, of the Western Jockey Club, left tonight for Chicago by way of Memphis, where he will stop over and have a conference with Secretary Macfarlan, of the New Memphis Jockey Club.

## MR. CAMDEN, SR., IS ILL.

Versailles, Ky., March 23.—J. N. Camden, Jr., proprietor of the Hartland Stud, has gone to Florida, in response to a telegram calling him to the bedside of his father, former Senator J. N. Camden, Sr., who is reported critically ill at his winter home.

## THIS FELLOW SHOULD MAKE GOOD.

Cincinnati, O., March 23.—Bessie Spahr, once the pride of Fred Cook's stable, has foaled a big colt by Dick Welles at J. B. Respass' Woodlawn Farm near this city.

## GOVERNOR BECKHAM SIGNS RACING BILL.

Kentucky Now Has a Law Which Will Protect the Sport From Destruction by Gamblers.

Frankfort, Ky., March 23.—Governor Beckham approved the state racing commission bill this afternoon, and it is now the law in this state. The Governor has given no intimation as to who will be the five commissioners, but it is generally conceded that Colonel Jack Chinn will be one of them. It is believed the commission will bring about such clean racing that other states will adopt similar laws in the near future, the intention being to shut gamblers and bookmakers from controlling race tracks and race track regulation. The breeders who met in Lexington and selected E. F. Clay, T. C. McDowell and J. N. Camden, Jr., as their choice for three of the commissioners have not filed their recommendations with the Governor, probably because they wish to leave the Governor free to act as he pleases in the matter.

## CARTER AND EXCELSIOR WEIGHTS.

From a humble beginning the Carter Handicap has grown in value and importance until it ranks with the most desirable fixtures of the eastern turf. This year it attracted the highest class horses in training and an entry list leaving nothing to be desired. Its first running in 1895 netted the winner, Charade, the small sum of \$600. This year it will net the winner \$7,850. The distance being only seven furlongs, Mr. Vosburgh has raised the average of weights as compared with the Brooklyn and other later handicaps, by assigning Sysonby as top weight, 134 pounds, grading from that down to 87 pounds on Wrenne. On the assumption that Sysonby may not start, Roseben, Hamburg Belle, Tradition, Phil Finch, Ormonde's Right, Santa Catalina, Red Knight, Aeronaut, Southern Cross, Grenade, Bohemia, Marjoram, Race King and Only all appear well treated and likely to go to the post if all goes well with them in training and racing prior to April 16. The conditions, entries and weights are as follows:

The Carter Handicap, of \$10,000, for three-year-olds and upward, \$50 each, or \$25 if declared by April 2; \$100 additional for starters. Guaranteed cash value, \$10,000, of which \$1,500 to the second and \$500 to the third. Weights to be announced March 22. Seven furlongs.

Following hard after the closing of the Aqueduct meeting, the opening day of the Metropolitan Jockey Club's meeting at Jamaica will be marked by the decision of the Excelsior Handicap. Like the Carter this event is of the guaranteed value of \$10,000, with \$7,850 going to the winner. Being at a mile and a sixteenth, Sysonby has been assigned his customary 131 pounds and some of the sprinters in the Carter were not entered here. Some of the best of the western contingent appear here in Ram's Horn, 117; First Mason, 115; Phil Finch, 115; Colonial Girl, 114; Bad News, 113, and Tokalon, 104, but it is doubtful if any of them start. It is more probable that Delhi, 124; Hamburg Belle, 120; Cairngorm, 119; Lord of the Vale, 116; Blandy, 111; Ormonde's Right, 111; Dolly Spanker, 109; Red Knight, 107; Oxford, 107; Monet, 107; Grenade, 105; Santa Catalina, 106; Bohemia, 102; Jacquie, 100; Race King, 98 and Master of Craft, 97, are the horses that will furnish the majority of the starters. Altogether the prospects are that the Excelsior will bring about a high class race. The conditions, entries and weights are these:

The Excelsior Handicap, of \$10,000, for three-year-olds and upward, \$50 each, or \$25 if declared by April 7; starters to pay \$100 additional. Guaranteed cash value, \$10,000, of which \$1,500 to the second and \$1,000 to the third. Weights to be announced March 22. One mile and one-sixteenth.

## OAKLAND WINNERS HEAVILY SUPPORTED.

Graphite and Roycroft Mediums of Big Coups—Hard Rains and a Bad Track.

San Francisco Cal., March 23.—Torrential rains converted the Oakland race course into a canal this afternoon. There were, however, few withdrawals, unusually large fields competing in the majority of the races. All the winners—and four were favorites—received support in the betting. Big coups were brought off over the victories of Graphite and Roycroft, the last named in particular, being the medium of some of the heaviest betting seen at the track in a long time.

W. L. Oliver left for New York last night. His horses, including Lord Badge, Hoot Mon and others, were shipped from Ascot Park last week, their destination being Washington, D. C.

Wee Lass was bid up from \$500 to \$1,100 by D. Sullivan, but retained by her owner. Shady Lad was also "boosted" from \$400 to \$700 and bought in.

## MAY PASS BILL INCREASING RACING TAX.

New York, March 23.—The Cassidy-Lansing anti-racetrack bill, along with the opening of the Benning meeting at Washington Monday next, continues to be the chief topic among turfmen at various gathering places along Broadway. The fact that the bill increasing the state racing tax to eight per cent. of the gross receipts at all tracks might become a law was regarded as a good reason why the Cassidy-Lansing bill would be defeated.

"The agricultural societies will get about \$400,000 a year with an eight per cent. cutup," said a well posted turfman, "and the money will not be tainted either, for the reason that the racetracks no longer collect a dollar in revenue from the bookmakers. It was a wise move to divorce the betting ring from the track management, as the opponents of racing are unable to link the Jockey Club and the racing associations directly with the gambling element. Serious trouble would have resulted if the old arrangement had been allowed to remain in force."

"Just why persons who do not care for racing should be allowed to deprive thousands of people of a sport that is immensely popular is not clear to me. This is a free country and every man should be permitted to spend his own money as he may see fit. If the reformers do not believe in betting nobody will compel them to go to the racetrack. They do not have to mingle with the people who love racehorses and enjoy healthful outings. It is a case of 'live and let live,' and a fair minded man does not want to see 20,000 persons thrown out of employment of various kinds if this anti-racetrack bill should pass."

## M. H. TICHENOR & CO.'S PRESENT STRING.

Memphis, Tenn., March 23.—There are thirteen horses in the stable of M. H. Tichenor & Co., of Chicago, at Montgomery Park, but the "hoodoo" is considered broken by the fact that two—Jake Sanders and Sufficiency—are owned by trainer Henry McDaniel. The list is as follows:

Good Luck, b. c. 3, by Sandringham—Pocket-piece.  
Macumber, b. c. 3, by Ogden—Myrtle Harkness.  
Rustling Silk, b. f. 3, by Mirthful—Quiver.  
Waterside, br. c. 4, by Watercress—Trojane.  
Hammeraway, b. c. 3, by Hamburg—Clemantina.  
Jake Sanders, br. c. 3, by Knight of the Thistle—Active.  
Sufficiency, b. f. 3, by Galore—Abaca.  
Judge Brady, blk. c. 4, by Puryear D—Levissa.  
Eddie Ware, ch. c. 2, by The Commoner—Penitence II.  
W. H. Daniel, b. c. 2, by Woolsthorpe—Colline.  
Sister Carline, ch. f. 2, by St. Florian—Carline.  
May Pepper, b. f. 2, by The Pepper—Davelle.

The last named six have been quartered all winter at Highland Farm near Lexington, Ky., in charge of trainer Charles Hughes, of the Ziegler stable. Just before they were brought here by trainer McDaniel, trainer Hughes offered \$12,000 for the lot. McDaniel declined the offer, but on behalf of Mr. Tichenor, asked Hughes to have Mr. Ziegler set a price on his entire stable. The deal fell through. Among the Tichenor two-year-olds is a sister to Flocarine. If she performs as well as her sister, she will be worth to her owner vastly more than trainer Hughes offered for the lot.

## MADDEN APOLOGIZES AND PAYS FINE.

New York, March 23.—John E. Madden, the Kentucky turfman, appeared before Justice Burr in the Supreme Court, Brooklyn, yesterday, and by public apology and the payment of a \$250 fine purged himself of the contempt in which he was adjudged when he refused to answer certain questions put to him in Saratoga last summer by a commissioner appointed to take testimony in the suit for separation brought by Mrs. Madden. Madden originally was sentenced to a term in jail, and left New York state. Recently his lawyers secured a modification of the penalty, and yesterday's proceedings resulted.

## GATES NOT DURNELL'S PARTNER.

New York, March 23.—It was repeatedly reported last fall that John W. Gates was a partner with C. E. Durnell in the latter's stable. Inquiry at the Jockey Club's office revealed the fact that no partnership, as demanded by the rules, has ever been registered between Durnell and Gates. The latter, it was learned, loaned the money to Durnell to purchase several of the best horses, and took Durnell's notes for the payment of the amount.

## POLLOCK BILL IS DEFEATED.

By a vote of 18 to 12 the Senate of the Ohio Legislature, at Columbus Thursday, defeated the Pollock Bill legalizing poolselling at the trotting tracks and fair grounds in Ohio. The bill was so framed as to preclude the possibility of holding a running meeting of any consequence in the state.

## "THE LID GOES ON APRIL 1."

SO SAYS GOVERNOR DAVIS AS TO GAMBLING IN HOT SPRINGS.

Race Track Is Included In His Order, He Says—Evidently Has No Admiration For Oaklawn Management.

Hot Springs, Ark., March 23.—Governor Davis still insists that he was in dead, hard earnest when he announced some time ago that no gambling will be permitted in Hot Springs after April 1. There is, however, little trepidation evident among the people who would be most affected by the order to shut up the clubrooms and close the betting ring at Oaklawn. These people insist that the Governor made his declaration for political reasons and that he really does not mean all he says. Yet they say that the Governor has carried his threat to such extremes that he will have to "make good" and they believe that the clubrooms will be closed for a few days. It will not be necessary, these people say, for the Governor to call out the militia to enforce his order when he gives it formally. The clubrooms will close when he makes his request.

The managers of the clubs sent a representative to Little Rock yesterday to interview the Governor. This man returned today. He says:

"I called on Governor Davis and he stated positively we would have to close April 1. I for one will comply with his demands."

"During my interview I brought up the question of the racetracks. This evidently galled the state's head official. Warming up under the collar he said, 'That bunch of ostracized St. Louis grafters must move from Arkansas, and we will see that they do if we have to run a country road right through their racing plant.'"

John Condon said tonight when told of the Governor's declaration: "There is no law on the statutes in this state against racing or betting on races, so I don't see how the Governor could very well close racing at Oaklawn."

## McCAFFERTY WILL APPLY FOR A LICENSE.

J. A. Wernberg Says the Jockey Club Will Be Presented With Evidence of Innocence.

New York, March 23.—Jerry A. Wernberg, the Brooklyn lawyer, who owned a large stable of race horses trained by J. J. McCafferty when that horseman was disciplined by the Los Angeles racing authorities recently, said today that McCafferty had been unfairly treated, not only by the Los Angeles Jockey Club, but by the Pacific Jockey Club officials, who later ruled him off for life.

Mr. Wernberg denied most emphatically that the horse The Huguenot was doped, as charged. He says that Seymour Butler, who represents Robert Pinkerton at the tracks, will be an important witness for McCafferty when the case comes before the Jockey Club here upon McCafferty's return to the east. He said that McCafferty will ask for a license upon his arrival, and that this action will then draw out all the evidence in the case.

"No analysis was made to detect the alleged dope," added Mr. Wernberg. "In our stable The Huguenot ran 15 times and was placed 13. He was the most consistent horse we ever had. We presented affidavits that McCafferty had not been near the stable when The Huguenot was alleged to have been doped."

## HALL'S DEFENSE DECIDEDLY UNIQUE.

New Orleans, La., March 23.—Jockey D. Hall is in good standing again. It is said that evidence was produced to the effect that Pat Bulger was a much distressed horse after his race on Saturday last and that "he coughed up chunks of mud." News of the reinstatement was in most instances received with smiles. "I do not recall that the track was sloppy or heavy that day," said one sage among the turfmen. "So I wonder where Pat Bulger got that mud."

"Maybe Pat was bred in Georgia," remarked another. "You know, there are some clay eaters in that state."

## STILL INVESTIGATING AT CITY PARK.

New Orleans, La., March 23.—The steeplechase investigation at City Park has not been concluded. According to one of the judges, enough evidence is in hand to warrant the extreme penalty being meted out to a well-known bookmaker and an equally well-known steeplechase jockey. It is understood that a confession has been obtained from one of the jockeys which implicates several people.

## LEXINGTON PROSPECTS ARE BRIGHT.

Louisville, Ky., March 23.—President Matt J. Winn, of the American Turf Association, has returned from Lexington where he went with Judge Charles F. Price to lay plans for the meeting at the Kentucky Association Course April 23 to May 1. The three stakes to be decided will close on April 2. Prospects for a good meeting are bright, says Mr. Winn.

## TO ELECT CAPTAIN BROWN PRESIDENT.

Lexington, Ky., March 23.—Captain W. Harry Brown, it is understood, will be elected President of the Kentucky Racing Association to succeed his brother, Captain S. S. Brown, deceased.

### TODAY'S BEST.

At City Park—Lans, first race.  
 At Crescent Park—Van Ness, first race.  
 At Oaklawn—Foxhall, fourth race.  
 At Oakland—Tony Faust, fourth race.  
 Best of the day—Foxhall.

Yesterday Governor Beckham signed the act of the legislature creating a racing commission for the state of Kentucky and it is now a law. The reason for the creation of the body that will govern the sport in Kentucky henceforth was to prevent the invasion of the state by the destructive gambling element now seeking to rule or ruin western racing. There is now not the slightest prospect that the Louisville and Latonia meetings will be paralleled and it is with the commission to say whether the costly outlay at Douglass Park shall be a total loss, or not.

As the home of the thoroughbred it is well for Kentucky that racing in that state is to be controlled by men who have at heart the love of a high class sport for its own sake. For the sordid crew with whom racing is no more than a faro table or any other gambling device, Kentuckians have no good feeling and it is a matter of rejoicing that the state is to be kept free from their debasing influence. The good example set by the state of Kentucky should now be followed by the state of Tennessee.

### FAVORITES MAKE GOOD SHOWING.

Backers of favorites at Ascot Park this year should have made money. A fraction better than 42 per cent. of the first choices won during the last sixty-six days—January 1 to March 17—of the Los Angeles Jockey Club's meeting. During that period 403 races were decided and the results were as follows, as regards the public's estimate of the winners:

Months.	Total No. of Races.	Winning 1st Choices.	Winning 2d Choices.	Winning Outsiders.	Winners at Odds-on.	Defeated at Odds-on.
January	162	59	33	70	13	14
February	144	71	26	51	19	8
March	147	41	20	36	14	9
Totals	453	171	79	157	46	31

The percentage of winning second choices was a fraction more than 18 and the percentage of winning outsiders was a fraction less than 9. There were only five days out of the sixty-six on which there was no winning favorite. These days were January 3, 8, 24; March 2 and 17. There were only six days on which one favorite won. On eighteen days there were two winning favorites; twenty-two days there were three; twelve days there were four and three days there were five. February was the best month. There was no day on which there were less than two winning favorites. The general average price was considerably better than even money. The track was fast on all save twenty days. There were only three days on which it rained during racing hours.

The percentage of winning favorites at the New Orleans Jockey Club's track for the same sixty-six days was a fraction better than 40. There were 406 races and 165 winning favorites, as appears by the following table:

Months.	Total No. of Races.	Winning 1st Choices.	Winning 2d Choices.	Winning Outsiders.	Winners at Odds-on.	Defeated at Odds-on.
January	166	63	40	63	24	11
February	147	62	39	46	19	16
March	193	40	22	31	18	11
Totals	506	165	101	140	61	38

The percentage of winning second choices was considerably better than at Ascot Park. There were only three of the sixty-six days at Crescent on which there was no winning favorite—January 26, February 9 and March 16. On eleven days there was one winning favorite; on twenty-two days there were two; on fourteen there were three; on twelve there were four and on four days there were five. The track was fast on only seven days in January, ten in February and five in March—just one-third of the time.

### SYDNEY PAGET IS MARRIED.

Sydney Paget, the horseman, brought a wife with him on his return from Europe on the Kaiser Wilhelm II. Wednesday. The ship's passenger list gave the first information of the existence of Mrs. Paget and the news was confirmed at the Waldorf, where Mr. and Mrs. Paget are stopping.

Sydney Paget's two brothers married American girls. Gen. Arthur Paget is the husband of the daughter of Mrs. Paron Stevens and is equerry to King Edward. Almeric Hugh Paget married the daughter of the late William C. Whitney. Sydney Paget came to this country some years ago with Mr. Whitney and was identified with the latter in turf matters. On the death of Mr. Whitney, he became associated with James B. Haggin. Last year Mr. Paget severed his relations with Mr. Haggin and formed a turf partnership with E. R. Thomas.—New York Sun.

Winner—Ch. g. by Preston—Katie Fletcher (trained by F. Martin).

Went to post at 2:03. At post 2 minutes. Start good. Won easily; second easily. Prestano passed the early pacemaker when called to the front and increased his lead as the race progressed, won cantering. Easy Street made the running for a half mile and then relinquished it, but maintained a secure second to the end under inadequate handling, the horse pulling up comparatively fresh. El Piloto, away poorly, improved his position on the extreme outside, coming on with a belated end rush. No Remark went well throughout. Mr. Dingle, still big and high, showed slight improvement. Vigoroso favors a more difficult track, but showed good speed for seven furlongs.

Scratched—61276 Conger, 102; 60213<sup>2</sup> Phaon, 110.

Overweights—El Piloto, 1 pound.

**61300 SECOND RACE—7-8 Mile.** (Track record 1:25.) Purse \$400. 3-year-olds. Selling.

Winner—Ch. c. by Kinley Mack—Flow of Gold (trained by W. Hollar).  
Went to post at 2:30. At post 2 minutes. Start good. Won easily; second the same. Goldbearer got away in his stride, rushed to the front and opened up a winning lead in the first furlong and was well in hand through the stretch. Onral was outrun by the winner all the way, got away well in motion and saved ground on every turn. Mescal began slowly, but worked her way up on the inside and finished resolutely. Martha C. was interfered with and ran well. Lattie Mac finished fast. Sweet Frata showed early speed, but quit badly.  
Scratched—G1026 Palmdale, 107.  
Overweights—Onral, 1 pound; Eucroia, 1; Sweet Frata, 5.

Winner—B. c. by Flambeau—Tamarack (trained by W. Hollar).  
Went to post at 3:58. At post 2 minutes. Start good. Won easily; second driving. Tambeau was kept under restraint until on the turn out of the backstretch, where he moved up on the outside, came on fast, caught Ricky tiring at the end and won going to the wire. Ricky was much used in racing Daring into defeat and, tiring, had all he could do to stall off Karl. The latter slipped through on the inside on the stretch turn and finished with a rush. Daring showed a good turn of speed, but tired in the stretch.  
Scratched—(6124) Kercheval, 129; 61157 Debar, 114.  
Overweights—Karl, 2 pounds.

Winner—B. m. by Scorpion—Summer Hours (trained by P. Morris).  
Went to post at 3:54. At post 2 minutes. Start good. Won easily; second easily. Iole slipped through on the inside in the run down the backstretch and opened up a winning lead on the far turn, stalled off a challenge from Brushton and had enough left to hold Elliott safe. The latter, suddenly recovering speed, was on the outside all the way, finished with a rush and was wearing the winner down at the end. Labor ran a good race, outgamed Brushton when it came to the final drive and just managed to get up in the last few strides. Brushton ran a good three-quarters and tired. Royal Legend ran a dull race and quit after going a half mile.  
Scratched—59223 Estrada Palma, 111; 61216 Capitano, 107.  
Overweights—Brushton, 3 pounds.

Time, 25.5, 1:48, 1:54.  
Winner—B. c. by Woolsthorpe—Extra (trained by J. Collins).  
Went to post at 3:57. At post 3 minutes. Start good. Won easily; second easily. Creel was on the outside of the leaders until well around the far turn, but slipped through on the inside when straightened out for the final run, fighting it out closely with Monochord all through the last furlong, outgamed the latter at the end. Monochord slipped away from his opponents in the early stages and, setting a fast pace, carried Creel wide on the turn for home and, after tiring, came again gamely in the last dozen strides. Thora Lee was driving to the limit at the end to stall off Bell-the-Cat. The latter finished with a rush and would have been third in another stride. Fonsoloa and Granada tired badly.

Winner—B. h. by Bend Or—Sierra Madra (trained by R. Cassidy).  
Went to post at 4:25. At post 3 minutes. Start good. Won easily; second easily. Benvolo was the best ridden, was saved from the early pace until well around the far turn, where he moved up and came through on the inside on the turn into the homestretch and outstayed Florizel in the final drive. Florizel was speedy, but lost the race by being taken wide on the turn into the homestretch. Big Bow finished fast and outgamed Rian when it came to the final drive. Rian ran to his best form. Jacob tired.  
Scratched—61158 Gravina, 111; 50575 Postman, 106.

Winner—Br. f. by Scorpion—Quintella (trained by H. Maman).  
Went to post at 4:50. At post 2 minutes. Start good. Won easily; second the same. Grace Wagner worked her way up on the outside in the run down the backstretch, raced Glenclare to exhaustion on the far turn and had enough in reserve to stall off Captain Bush's challenge. The latter was much the best and should have won, but was interfered with at the start and crowded back and cut off twice on the backstretch, but came through on the inside at the turn for home and finished with a rush. Heart of Hyacinth ran a good race, but was tiring at the end. Begonia was outrun all the way. America II showed speed. Glenclare ran a bad race, much below his true form.

Went to post at 2:31. At post 5 minutes. Start good. Won easily; second the same. Bob Augustine showed much the most speed for the first quarter, but had to be driven to the limit in the final sixteenth. Scandal came through the homestretch with a rush and made the winner extend himself to his utmost. Commodore Thein ran the best race of his career, showing much improvement. Charles I. Lee lost much ground by going wide when turning for home and tired at the end. Blackwell showed speed and was right there at the finish.

## ARTHUR PEABODY & SONS

desire to draw attention to the fact that another horse, with whose training methods and stable connections they are entirely familiar with, starts at

**Bennings, Monday, March 26th,**

(opening day). We expect the odds to be 8 or 10 to 1, as the Washington bookmakers will discount the good form which the horse has shown prior to his shipment from California.

Last year we advertised in this very same manner, for the opening day, and sent out

**Sir Brillar, 10 to 1, Won.**

Strictly one horse added, always. We fully expect to duplicate our success of last year and desire to state that to show the racing public our good intentions, we will again reduce the price for this "Opening Day Occasional" only, same as last year, to

**THREE DOLLARS.**

All Occasionals in the future will be \$5.00, same as in the past, and this reduction is done strictly for the purpose of demonstration, as we desire to make as many new friends as possible for the coming season.

All remittances should be in our possession as early as possible. Allow us to start you right for the season.

## Rush Your Subscriptions for Monday

**NOTICE** WE NEVER MISREPRESENT  
In case of loss our next \$5.00 occasional will be sent free. This horse must win to be charged, or you are entitled to the next winner, the terms for which are \$5.00 each.
